

Dear LHON Family and Friends,

As we prepare for the 2027 LHON Conference, we are reaching out to those who understand this journey in a deeply personal way: our current donors, individuals affected by Leber Hereditary Optic Neuropathy (LHON), families and friends who stand beside them every day.

The LHON Conference is more than an event. It is a place where people find connection, education, support, encouragement, and community. It is where newly diagnosed families find answers, where lasting friendships begin, and where everyone affected by LHON can gather with people who truly understand.

To help make this experience possible, we invite you to consider supporting the conference through our à la carte sponsorship opportunities. Each sponsorship directly impacts the attendee experience and helps create a meaningful and welcoming event for our community.
